

096 Breeze Key F#

This is a classic 'country blues' feel. It's a 12-bar blues progression but it's played straight in this case. This kind of simple groove leaves plenty of room for other instruments.

Tempo: 96 BPM

Key: F#

Time Signature: 4/4

Here's the chord progression :

F#-F#-F#-F# | B-B-F#-F# | C#-B-F#-F#

Bass Loops

This set contains complete 12 bar loops plus a 4 bar alternate intro.

It also has files for **EZbass** 😊. The EZbass files have 'ghost' or 'dead' notes. However, those notes may not sound absolutely correct in the General MIDI version of the files.

Jam Track

The Jamtrack folder contains a full track with matching bass and drum tracks. There's also an EZbass version of the bass track.

Drums

The drums follow the General MIDI mapping standard and can be played with many apps including EZdrummer or Superior Drummer.
